ETSU Health Care Professions Students and Faculty Express Your Ideas and Concerns Regarding Social and Political Issue Submit Your Artwork to the 2017 FL3TCH3R Exhibit at ETSU's Reece Museum

This year for the first time the FL3TCH3R Exhibit will present cash awards to ETSU Medical and Health Professional Students and Faculty. Those who enter and are accepted to the exhibit will be eligible for the awards. (Health Care Professions include ETSU - Colleges of: Health Sciences, Medicine, Nursing, Public Health, Pharmacy, Psychology, and Physical Therapy, etc.)

The 2017 5th Annual FL3TCH3R EXHIBIT is an international juried exhibit focused on socially and politically engaged art. Socially and politically engaged art has been integral in creative expression since the beginning of visual arts. These collective creative works hopefully serve as an avenue or agent for societal transformation and exposure of social and political points of view. The exhibit's proceeds after expenses will fund the Fletcher H. Dyer Memorial Scholarship for an ETSU art and design student.
