**CALL for ENTRIES**  
 CELEBRATING OUR 10<sup>TH</sup> ANNIVERSARY

**The 2022 FL3TCH3R Exhibit Highlights Protection of Human Rights including Women’s Rights, Gun Violence Reform, the Invasion of Ukraine & continues to honor Protection of Voting Rights & Black Lives Matter.**

New awards will be presented to honor our 10th anniversary and to support works about Protection of Human Rights including Women’s Rights, Gun Violence Reform and the Invasion of Ukraine.

**The FL3TCH3R Exhibit:**

The 2022 10th Annual FL3TCH3R EXHIBIT is an international juried exhibit focused on socially and politically engaged art. Socially and politically engaged art has been integral in creative expression since the beginning of visual arts. This exhibition explores the current trends and trajectory in this field and these collective creative works hopefully serve as an avenue or agent for societal transformation and exposure of social and political points of view. The goal is to recognize and advance this endeavor by providing a venue for the exhibition of socially and politically engaged art. Furthermore, the exhibit’s proceeds after expenses will fund the Fletcher H. Dyer Memorial Scholarship for an art and design student.

**ABOUT FLETCHER:**

Fletcher Hancock Dyer, age 22, was lost too soon in a motorcycle accident in Johnson City, TN on November 5, 2009. Fletcher was a senior in the Department of Art and Design at East TN State University pursuing a concentration in Graphic Design under a Bachelor of

Fine Arts program. Earlier, Fletcher used as a preface in an essay he wrote as a high school senior a quote by Gerald W. Johnson, “Every great work of art is offensive to someone, for a work of art is a protest against things as they are and proclamation of things as they ought to be.” As an artist and graphic designer, Fletcher’s passion for art was a vehicle that allowed him to mirror his passion and marry it to his concern for social and political issues through visual means.

Fletcher was always curious and aware of current events; he experimented in innovative ways to create works that investigate contemporary social issues. New, unexpected ideas and perspectives had unique ways of coming to the surface as a result of Fletcher’s creative means of experimentation. Fletcher wrote, “I dream of making a difference in some way with my art, I might attempt to right political, social, and religious wrongs by showing the rest of society a glimpse of how I feel about serious issues in the world...Hopefully the awareness that I can help create will spark an interest in a movement that others will follow.” Fletcher’s work embodies a purposeful, deliberate perspective of his personal endeavor to employ art as social and political commentary.

THE FL3TCH3R EXHIBIT aspires to honor Fletcher’s legacy by providing a venue for artists to exhibit artworks that continue the dialogue. For more information: [www.fletcherdyer.com/about.html](http://www.fletcherdyer.com/about.html)

## ENTRY & JURY PROCESS:

The FL3TCH3R Exhibit: Social & Politically Engaged Art international juried exhibit accepts ONLY digital images via Online entry or Emailed entry. If USPS entry, mail images on a CD.

## ONLINE ENTRY :

Please follow the subsequent link that will walk you through the entry process online:  
[http://fl3tch3rexhibit.com/enter\\_here.html](http://fl3tch3rexhibit.com/enter_here.html)

If entry is a collaboration, enter all names to be credited at "artist name/entrant profile" line divided by commas. Designate beside "artist name" **whether Medical/Healthcare Professional** and eligible for Avery Healthcare and the Arts award if accepted by juror. For entry upload: PLEASE choose upload of file instead of submitting a link to a website since file upload is the BEST presentation of your artwork (IMPORTANT: you may risk your artwork not viewed by juror if a link has to be clicked).

Note: Entry Submission online fields for statements are unfortunately unclear and have character limitations that preclude adequate length of statements specific to each artwork submitted/uploaded. Juror will rely on statements you provide about each title by viewing these fields. An opportunity is given each time a title/work is uploaded called DESCRIPTION but it only allows 400 characters and some find this is not enough space. Please briefly comply with this limitation and enter a short statement. However, rely on the opportunity described below to enter a more thorough statement to be used by juror and for exhibit printed material if work is accepted:

- Thus, for first time Entrythingy members, please use STATEMENT and RESUME fields on first page after Entry Instructions to paste in your full statement for each artwork/title uploaded/submitted. Be sure to number each piece according to Entry #1 and Title and so on until a full statement for each submission is represented in these fields as space allows.
- For repeat Entrythingy members, please go back to MY PROFILE and EDIT and SAVE a new full STATEMENT reflecting each title entered and properly labeled as described above.
- For all entrants, at "General Entry Information" page, at CATEGORY, use OTHER if titles are different media. Please specify which media and divide descriptive info about titles/works properly labeled by title amongst other 2 fields-"description of work" (260 character limit) and "statement specific to entry" (530 character limit).
- On next page, 'FILES for this ENTRY'- click 'ADD ENTRY', enter artwork #1, complete 'title', use the field labeled 'description' (only 400 characters

available) for each upload to give brief description of each artwork as it is uploaded, complete Dimension, Material, Price, Year, and then click 'ADD ENTRY' and upload file #2, repeat steps above for #3, #4, etc. until all artworks for your entry have been uploaded with info completed. Do **NOT** go to 'PAY NOW' until you have uploaded all intended artworks for entry. **IMPORTANT NOTE:** DO NOT Click Pay Now until ALL artworks have been uploaded by clicking "ADD ENTRY" between each artwork. Otherwise, you will not get another chance to add additional pieces up to three and will be charged full entry fee for only one piece.

Additionally, be sure to pay appropriate entry fee via PayPal or mail check/money order to The FL3TCH3R Exhibit, P.O. Box 954, Johnson City, TN 37605 : Work should be original and the sole copyright of the Artist/s. Accepted work will be disqualified if misrepresented: different from submitted entry, or if original submission is digitally changed from art work to be exhibited. Only one image per 2D entry; 3D work may include up to 3 detail shots. All notifications will be sent via email. All video art submissions should be in digital .mov format. Video art should not exceed 15 minutes running time and file size must not exceed 1000MB. All accepted video art/sound/audio will be played collectively on a loop unless artist sends a separate viewing/listening device (via headphone, etc.). Artist must agree to allow images of accepted 2D/3D/ film/video to be included in online archived catalog. In addition, artists must agree to allow film/video/audio selections to be presented via YouTube (or linked to artist's site) at exhibit online catalog.
